

TEAM BUILDING EXPERIENCES

Are you looking for something outside of the office to get your team working together with some friendly competition? Look no further than our exclusive team building activities, these fun and competitive team challenges are designed for groups of 10 or more participants and will have you laughing and working together in no time!

Blind Wine | 60 minutes

This fun and immersive program will have you smell, taste, listen, touch and look at five wine specific experiences to challenge your senses and compete against your opponents. Who will sense their way to the top?! Each member of the winning team will be awarded a bottle of Ravine wine as a prize!

What's Your Wine IQ? | 45 minutes

Put on your thinking cap and dust off those old bottles in the cellar because your wine knowledge is about to be put to the test. You will sip and savor six of our premium small batch wines and try to beat your opponents to the punch in this immersive team quiz challenge. The group with the quickest hands and sharpest palate will take home a bottle of Ravine wine as a prize!

Ask your Event Coordinator for full experience details and how they can be incorporated into your day at Ravine!
